

Deposit and Withdrawal policy

Trading in any investment opportunity that may generate profit requires BOMANFX customers to deposit money on their online account. Profits may be withdrawn from the online account. Deposits and withdrawals are regulated by this policy as well as the generally applicable terms and conditions.

Deposits

To start a transaction, you need to make sure that this account is in your country of residence and in your name. If you do not comply with this WD policy, you may be prevented to deposit money through the Bank / Wire Transfers. It may take up to 5 business days for funds deposits via Bank / Wire Transfers to appear in your trading account. If you do not sign in to your account within 2 months, you will be converted to a dormant account.

Withdrawals

According to generally acceptable AML regulations, withdrawals can only be performed through the same bank account or credit / debit card that was used to deposit funds into your account. Unless there are acceptable reasons, withdrawals from your account can only be made in the same currency in which each deposit was made. You should also be aware that additional fees and restrictions may be applied when depositing or withdrawing money for transaction with an alternative payment method. The withdrawal will be subjected to a withdrawal and processing fees. The fee will be deducted from the transferred withdrawn amount. Furthermore, Customers may also be required to provide additional information and documentation regarding withdrawals.

Withdrawals Fees

Withdrawal fees will be charged a transaction fee of the following: Fees may change depends on the processing system and/or bank.

Non-Deposited Funds

Funds in a customer's account may include bonuses or incentives that are not deposited by the customer in the non-deposit fund amount. Non-deposits cannot be withdrawn.

Typical Withdrawal Processing Time

The amount of time it takes to deposit funds into the credit card or bank account used to deposit funds may vary (typically 5 business days maximum). Additional security procedures may take longer to withdraw to your bank account. Requests are typically processed within 4-7 business days. If you make a mistake in completing your application, you may be delayed, so please review it carefully before submitting.

Credit/Debit Cards

For Credit card deposits, when you choose an account in a different currency than USD (United States Dollar), your credit card will be debited properly in accordance with amount deposited and the applicable exchange rates. In addition to the exchanged sum deposited, additional credit cards fees may apply (as a result, in such cases you may notice discrepancies between the sum of deposit and the sum charged on your credit card). Customers must accept these slight variations that can occur and won't try to charge this back. If you have used a credit card to deposit money, performed online trading and decide to cash in on your winnings, the same credit card must be used.

Amount of withdrawal per credit card is only allowable to an equal amount of money deposited per credit card or less. Greater amounts must be wire-transferred to a bank account.

Additional Conditions

Please note this policy cannot be exhaustive, and additional conditions or requirements may be applied at any time due to regulations and policies, including those set in order to prevent money laundering. Any questions concerning policy matters, please contact us anytime at bmsvt@bomfx.com
